

# Transfers page

Transferring a person's membership to another church requires 3 steps:

1. Request
2. Grant
3. Accept

The **Transfers** page shows the transfers in each of these steps on separate tabs. A green "light" indicates a transfer ready for your church's vote and a "yellow" light indicates a transfer ready for the other church's vote. Conference clerks will see transfers with no "light" when voting is being handled by online churches.

Conference clerks take care of printing and mailing transfer notifications to churches that do not use eAdventist ("offline" and "off-system"). The **Printed** column indicates when the transfer was printed or if it is still "pending".
